Iconic RC Vintage Classes: Eligible Buggies

The following buggy lists are to guide participants when entering Iconic RC vintage events. The lists aren't exhaustive so if you don't see a buggy you'd like to run or have a general query, please contact john@iconicrc.com or ask the question on the Iconic Facebook Group: <https://www.facebook.com/groups/iconicrc/> Mis-entered buggies will be placed into the correct class.

Re-released buggies, such as the recent models from Tamiya, Team Associated and Kyosho are eligible in their original release category. Please note that the Tamiya DT-02 Holiday Buggy 2010 and Sand Rover 2011 are not eligible because they have a modern chassis base. A huge thank you to Robert Jaques and Terry Cresswell for their help in compiling the lists.
